Everyday about 1,400 children die from diseases caused by unsafe water and poor sanitation.

Pasta Dinner Fundraiser to Benefit *Charity: Water* – Hosted by Team Clean Water

Saturday, March 9, 2019 - (5:00 pm – 7:00 pm)

This year's Fundraiser Event hosted by TEAM CLEAN WATER is being held at:

ST. GREGORY CCD CENTER

1043 Stafford Ave

Bristol, CT 06010

Many of us have no idea what it's like to be thirsty. We have plenty of water to drink -- even the water in our toilets is clean! Many people around the world don't have that luxury. Everyday about 1,400 children die from diseases caused by unsafe water and poor sanitation. It doesn't have to be that way. There are simple solutions like drilled well, spring protections, and Bio Sand filters that help provide clean water to communities around the world. Check out our site provided below!

We are having a Pasta Dinner "Fundraiser" to help *Charity: Water* build these types of projects around the world. We're looking for anyone who can help us. We're serving **Pasta, Meatballs, Salad, Bread, and Coffee.**

Last year, we raised over \$2,000... There's no feeling in the world that can outweigh how one feels after helping others who are less fortunate. **TEAM CLEAN WATER** teams up again... a lot of good is being done with having fun in the process so, please help us do it again this year and if all goes well, we may exceed last year's donations. Thank you!

Tickets available: Adults: \$10.00 donation, Kids (under 10): \$5.00 donation

We welcome your help in selling tickets. We also need help collecting raffle prizes for our event.
